

## CLEAR SIGNAL SOLUTIONS END-USER LICENSE AGREEMENT

BY DOWNLOADING, INSTALLING, COPYING, ACCESSING OR USING THIS SOFTWARE, YOU AGREE TO THE TERMS OF THIS AGREEMENT. IF YOU ARE ACCEPTING THESE TERMS ON BEHALF OF ANOTHER PERSON OR COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT AND WARRANT THAT YOU HAVE FULL AUTHORITY TO BIND THAT PERSON, COMPANY OR LEGAL ENTITY TO THESE TERMS.

1. **EULA.** This Agreement, any supplemental license terms, and any specific product terms at [www.clearsig.com](http://www.clearsig.com) (collectively, the “EULA”) govern your use of the Software. “You” and “your” means the individual or legal entity licensing the Software under this EULA. “Use” or “using” means to download, install, activate, access or otherwise use the Software.
2. **Software.** “Software” means a single copy of one or more Clear Signal Solutions, Inc. (“Clear Signal Solutions”) computer programs, whether stand-alone, bundled with other products or incorporated into third-party software authorized by Clear Signal Solutions, and related documentation, including any online or electronic documentation, data and license files.
3. **License Grant.** Clear Signal Solutions, Inc. grants you a limited, non-exclusive, non-transferable license to use, in accordance with one of the license types listed below, the Software, for the Term (as defined below), subject to the terms and conditions herein:
  - 3.1 **Fixed license (Node Locked).** If you have obtained a Fixed license (Node Locked), you may install one copy of the Software on one instrument or machine and use the Software only on that instrument or machine for your internal business use.
  - 3.2 **Transportable license.** If you have obtained a Transportable license, you may use one copy of the Software on any single instrument or machine at one time for your internal business use. You may move such Software to a different instrument or machine for your internal business use provided only one copy is in use at any one time.

You may find the type of license you obtained, the Term of your license, and the licensed number of users (if applicable) in documentation associated with the Software. “Term” means either a set amount of time (an expiring license) or a Perpetual license. “Perpetual” means the lifetime of the instrument or machine. In the absence of documentation specifying the applicable license, you have a Fixed license with a Perpetual Term.

4. **License Restrictions.**
  - 4.1 **No Copies.** You may not make copies or adaptations of the Software except for backup and archival purposes or when copying or adaptation is an essential step in the licensed use of the Software including correction of errors. You must reproduce all copyright and other legal notices in the original Software on all permitted copies or adaptations. You may not copy the Software onto any public or distributed network.
  - 4.2 **No Reverse Engineering.** You may not decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Software (except to the extent any foregoing restriction is prohibited by applicable mandatory

law or by licensing terms governing the use of open source components that may be included with the Software).

**4.3 No Circumvention.** The Software may include technological measures, whether in the Software or in bundled hardware or both, that are designed to prevent or detect unlicensed use of the Software. Circumvention of these technological measures is prohibited, except as expressly permitted by applicable law. Any attempt to circumvent technological measures may render the Software or certain features unusable or unstable, and may prevent you from updating or upgrading the Software.

**4.4 Limited Use.** Notwithstanding anything to the contrary herein, you may not use Software to make or distribute your own or a third party's application, a principal purpose of which, as reasonably determined by Clear Signal Solutions, is to perform the same or similar functions as the Software or which replaces any component of the Software.

**5. Third Party Software.**

**5.1 General.** The Software may contain third party software subject to third party notices and/or additional terms and conditions. Such required third party software notices and/or additional terms and conditions can be found in the documentation associated with the Software. You have all rights necessary to use the Software as permitted in Sections 3 and 4. To the extent your use exceeds the grants and restrictions in Sections 3 and 4, third party license terms take precedence and will apply.

**5.2 Separation of Components.** Except as required by included open source software licenses, the Software is licensed as a single product and its component parts may not be separated for any other use except to the extent expressly otherwise licensed.

**6. Upgrades.** This EULA does not entitle you to receive upgrades, updates or technical support. Upgrades, updates and technical support services may be purchased separately. The terms of this EULA govern any software updates or upgrades provided by Clear Signal Solutions unless replaced and/or supplement Software is accompanied by a separate license agreement in which case the terms of that license agreement will govern. Any comments, suggestions, improvements or other communications from you to Clear Signal Solutions regarding the Software ("Feedback") shall be deemed non-confidential and may be used by Clear Signal Solutions on an unrestricted basis without compensation or attribution.

**7. Ownership.** The Software and all copies thereof are licensed and not sold to you. The Software and all copies thereof are owned and copyrighted by Clear Signal Solutions or its third-party suppliers and protected by copyright laws and other intellectual property laws and treaties. Clear Signal Solutions and its third-party suppliers retain all right, title and interest in the Software. Clear Signal Solutions and its third-party suppliers may protect their respective rights in the Software in the event of any violation of this EULA.

**8. Transfer.** You may not sell or otherwise transfer the Software except as expressly specified below. Licensed users are limited to you, your employees, authorized agents, representatives, and subcontractors acting on your behalf and for your internal business use. You may not rent, lease, lend,

allow for commercial time sharing, or otherwise permit access to the Software to any unlicensed third party or entity. You may not transfer the license granted to you here unless you obtain Clear Signal Solutions' prior written authorization, deliver all copies of the Software to the transferee along with this EULA, and pay any applicable fees. For all transfers, the transferee must accept this EULA as a condition to any transfer and your license to use the Software will terminate upon the transfer. Entitlement to receive technical support services for the Software may be transferred only provided that you obtain Clear Signal Solutions' prior written consent and pay any applicable fees. This section regarding transfer applies only to the extent permissible under applicable mandatory laws.

## **9. Limited Warranty and Disclaimer.**

**9.1 Limited Warranty:** Clear Signal Solutions warrants that, for a period of sixty (60) days from the date of delivery of the Software to you ("Warranty Period"), the Software licensed hereunder (including Upgrades provided within the Warranty Period for the remainder of the Warranty Period) will perform substantially in accordance with the Documentation.

**9.2 Exclusive Remedy:** During the Warranty Period, your sole remedy and Clear Signal Solutions' sole obligation under the foregoing limited warranty will be to (a) modify or replace the Software or (b) if such modification or replacement would in Clear Signal Solutions' opinion be commercially unreasonable, refund the fees paid by you for the applicable Software and thereupon the license to use such Software shall terminate.

**9.3 Exclusion of Warranty:** The above Limited Warranty will not apply if: (i) the Software is not used in accordance with this Agreement or the Documentation, (ii) the Software or any part thereof has been modified by any entity other than Clear Signal Solutions or (iii) a malfunction in the Software has been caused by any equipment or software not supplied by Clear Signal Solutions.

**9.4 Disclaimer:** THE ABOVE WARRANTIES ARE YOUR EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT. EXCEPT FOR THE LIMITED WARRANTY SET FORTH ABOVE, THE SOFTWARE IS PROVIDED "AS IS" AND CLEAR SIGNAL SOLUTIONS MAKES NO WARRANTY OR GUARANTEE AS TO ITS USE OR PERFORMANCE AND DOES NOT WARRANT OR GUARANTEE THAT THE OPERATION OF THE SOFTWARE WILL BE FAIL SAFE, UNINTERRUPTED OR FREE FROM ERRORS OR DEFECTS OR THAT THE SOFTWARE WILL PROTECT AGAINST ALL POSSIBLE THREATS.

**9.5 Exceptions:** Some states or jurisdictions do not allow the exclusion of express or implied warranties, so the above disclaimer may not apply to you. IN THAT EVENT, SUCH EXPRESS OR IMPLIED WARRANTIES SHALL BE LIMITED IN DURATION TO THE WARRANTY PERIOD (OR THE MINIMUM PERIOD REQUIRED BY THE APPLICABLE LAW).

## **10. Limitation of Remedies and Damages.**

UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, WHETHER IN TORT, CONTRACT OR OTHERWISE, SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, INCIDENTAL

OR CONSEQUENTIAL DAMAGES, DAMAGES FOR LOSS OF PROFITS, LOSS OF GOODWILL, LOSS OR CORRUPTION OF DATA OR LOSS OF BUSINESS, LOSS OF PERSONNEL SALARIES OR REVENUE, WORK STOPPAGE AND/OR COMPUTER FAILURE OR MALFUNCTION AND/OR COSTS OF PROCURING SUBSTITUTE SOFTWARE OR SERVICES.

Regardless of whether the claim for such damages is based in contract, tort and/or any other legal theory, in no event shall either party's aggregate liability to the other party for direct damages exceed the lesser of:

- a) the amount of total fees paid or payable by you for the Software giving rise to such claim during the 12 months immediately preceding the event giving rise to such claim, or
- b) the applicable Clear Signal Solutions list price, at the date of the delivery of the Software to you, for the Software giving rise to such claim ordered by you during the 12 months immediately preceding the event giving rise to such claim,

even if the other party has been advised of the possibility of such damages.

No provision of this Agreement shall exclude or limit in any way (i) the liability of either party for death or personal injury caused by negligence or (ii) your liability for excess usage of and/or any breach of this EULA and/or Clear Signal Solutions' intellectual property rights in the Software.

THE LIMITATION OF LIABILITY IN THIS SECTION IS BASED ON THE FACT THAT END USERS MAY USE THEIR INSTRUMENTS/MACHINES/COMPUTERS FOR DIFFERENT PURPOSES. THEREFORE, ONLY YOU CAN IMPLEMENT BACK-UP PLANS AND SAFEGUARDS APPROPRIATE TO YOUR NEEDS IN THE EVENT THAT AN ERROR IN THE SOFTWARE CAUSES INSTRUMENT/MACHINE/COMPUTER PROBLEMS AND RELATED DATA LOSSES. FOR THESE BUSINESS REASONS, YOU AGREE TO THE LIMITATIONS OF LIABILITY IN THIS SECTION AND ACKNOWLEDGE THAT WITHOUT YOUR AGREEMENT TO THIS PROVISION, THE FEE CHARGED FOR THIS SOFTWARE LICENSED HEREUNDER WOULD BE HIGHER.

## **11. Intellectual Property Indemnity.**

**11.1 Third-party claims:** Clear Signal Solutions shall defend and hold you harmless from any claim by a third-party that the Software infringes, whether a patent, copyright or trade secret of that third party, provided that: (i) Clear Signal Solutions is notified promptly, and in any event no later than within 14 days of your receipt of notice of the claim, (ii) Clear Signal Solutions receives the required level of reasonable cooperation from you in order to perform Clear Signal Solutions' obligations hereunder and (iii) Clear Signal Solutions has sole control over the defense and all negotiations for a settlement or compromise of the claim. The foregoing obligation of Clear Signal Solutions does not apply with respect to Software or portions or components thereof that are: (i) not supplied by Clear Signal Solutions, (ii) used in a manner not expressly authorized by this Agreement or the relevant Documentation, (iii) made in accordance with your specifications, (iv) modified by anyone other than Clear Signal Solutions, if the alleged infringement relates to such modification, (v) combined with other products, processes or materials where the alleged infringement would not exist but for such combination or (vi) where you continue the allegedly infringing activity after being notified thereof and provided with modifications that would have avoided the alleged infringement. In no event will Licensor's

liability under this sub-section exceed the total of the sums received by Clear Signal Solutions from you under this Agreement.

**11.2 Remedy and Liability:** In the event that the Software is held by a court of competent jurisdiction to constitute an infringement or use of the Software is enjoined, Clear Signal Solutions shall, at its sole discretion, do one of the following: (i) procure for you the right to continue use of the Software, (ii) provide a modification to the Software so that its use becomes non-infringing, (iii) replace the Software with software that is substantially similar in functionality and performance or (iv), if none of the foregoing alternatives is reasonably available to Clear Signal Solutions, Clear Signal Solutions shall refund the residual value of the fees paid by you for the infringing Software, depreciated using a straight-line method of depreciation over a three (3) year period from the date of delivery of the Software to you. This Section states Clear Signal Solutions' sole liability and your exclusive remedy for intellectual property infringement claims.

**12. Export Requirements.** If you export, re-export or import Software, technology or technical data licensed hereunder, you assume responsibility for complying with applicable laws and regulations and for obtaining required export and import authorizations. Clear Signal Solutions may terminate this license immediately if you are in violation of any applicable laws or regulations. You will be responsible for any violation by you, and will defend and hold Clear Signal Solutions, its subsidiaries, affiliates and third-party suppliers harmless in the event of any legal action of any nature occasioned by such violation. You understand that the Arms Export Control Act (AECA), including its implementing International Traffic In Arms Regulations (ITAR,) and the Export Administration Act (EAA), including its Export Administration Regulations (EAR), are some (but not all) of the laws and regulations that comprise the U.S. export laws and regulations. You further understand that the U.S. export laws and regulations include (but are not limited to): (1) ITAR and EAR product/service/data-specific requirements; (2) ITAR and EAR ultimate destination-specific requirements; (3) ITAR and EAR end user specific requirements; (4) ITAR and EAR end use-specific requirements; (5) Foreign Corrupt Practices Act; and (6) anti-boycott laws and regulations. You will comply with all then current applicable export laws and regulations of the U.S. Government (and other applicable U.S. laws and regulations) pertaining to the Software (including any associated products, items, articles, computer software, media, services, technical data, and other information). You warrant that you will not, directly or indirectly, export (including any deemed export), nor re-export (including any deemed re-export) the Software (including any associated products, items, articles, computer software, media, services, technical data, and other information) in violation of U.S. export laws and regulations or other applicable U.S. laws and regulations. YOUR OBLIGATIONS TO COMPLY WITH U.S. EXPORT CONTROL LAWS AND REGULATIONS ARE INDEPENDENT OF AND SURVIVE THE TERMINATION OF THIS AGREEMENT.

**13. Audit and Security Mechanisms.** You agree that Clear Signal Solutions may restrict the number of copies you are using by security servers, security keys/modules, a hardware lock device, license administration software, a license authorization key to control access to the Software or other security mechanism and you consent to such use. You may not take any steps to avoid or defeat the purpose of any such measures. Use of the Software without the lock device or authorization key provided by Clear Signal Solutions is prohibited. Clear Signal Solutions may take all legal steps to eliminate unlicensed use and piracy of the Software. In this context, the Software may include a security mechanism to detect

installation or use of unlicensed copies of the Software, and collect and transmit data about suspected unlicensed copies. Data collected does not include any customer data created with the Software. By using the Software, you consent to such detection and collection of data, as well as its transmission and use if suspected unlicensed copies are detected. Upon reasonable notice and reasonable suspicion of unlicensed use, Clear Signal Solutions may conduct during normal business hours (with the auditor's costs being at Clear Signal Solutions' expense) an audit of your compliance with this EULA. If an audit reveals underpayments then you will pay to Clear Signal Solutions such underpayments. If underpayments discovered exceed five (5) percent of the contract price, you will reimburse Clear Signal Solutions for the auditor costs.

**14. U.S. Government Rights.** The Software is "commercial computer software," as defined by Federal Acquisition Regulation ("FAR") 2.101. Pursuant to FAR 12.212 and 27.405-3 and Department of Defense FAR Supplement ("DFARS") 227.7202, the U.S. government acquires commercial computer software under the same terms by which the software is customarily provided to the public. Accordingly, Clear Signal Solutions provides the Software to U.S. government customers with rights customarily provided to the public as set forth in this EULA. The license set forth in this EULA represents the exclusive authority by which the U.S. government may use, modify, distribute, or disclose the Software. If you are a U.S. government customer, you acknowledge that you have reviewed the Software and the terms of this EULA and agree that the license provided for herein is consistent with Federal law and otherwise satisfies the U.S. government needs. In addition, if you are a U.S. government customer you agree that this EULA reflects the entirety of the terms of Clear Signal Solutions' customary commercial license applicable to U.S. government customers. No additional government requirements beyond those set forth in this EULA shall apply, except to the extent that those terms, rights, or licenses are explicitly required from all providers of commercial computer software pursuant to the FAR and the DFARS and are set forth specifically in writing elsewhere in this EULA. Clear Signal Solutions shall be under no obligation to update, revise or otherwise modify the Software.

**15. Termination.** Without prejudice to your payment obligations, you may terminate your license at any time by uninstalling the Software. Clear Signal Solutions may terminate your license in the event that you materially breach the terms of this Agreement and you fail to cure such breach within thirty (30) days of receiving notice of such breach. Upon such termination, you shall promptly return or destroy all copies of the Software and Documentation.

**16. Applicable Law.** Disputes arising in connection with this EULA will be governed by the laws of the United States and of the State of California, without regard to choice of law provisions. The United Nations Convention for Contracts for the International Sale of Goods will not apply to this EULA.

**17. Unenforceability.** To the extent that any provision of this EULA is determined to be illegal or unenforceable, the remainder of this EULA will remain in full force and effect.

**18. Entire Agreement.** Certain program, data and license files in the Software may be subject to supplemental license terms found in the documentation associated with the Software or directly in the files to which the supplemental terms apply. This EULA constitutes the entire agreement between you and Clear Signal Solutions with respect to the Software, and supersedes any previous communications, representations or agreements between the parties, whether oral or written, except if you have a

separate written, valid agreement that is executed by both parties and the terms of such agreement conflict with the terms contained herein, in which case the terms of such agreement apply. This EULA may not be changed except by an amendment signed by an authorized representative of each party.
